## Why Be a Signatory Contractor?

Being a Signatory Contractor in the Organized Construction Industry provides you with the following benefits:

- **Skilled Labor Supply** – Easy access to skilled, professional, safety-conscious, craft-trained workers within your community.
- **State-Of-The-Art Training** – Apprenticeship and training facilities for customized and specialized training including OSHA approved safety training, which can lead to reduced workers compensation rates. Journeyman upgrading courses are also available.
- **Cost Savings** – Skilled craft workers are flexible, committed and willing to go the extra mile to help you complete your projects cost-effectively.
- **Experience** – Quality craft workmanship means faster completion of projects and the ability to implement creative concepts in construction and building techniques.
- **Health & Safety** – We work to eliminate jobsite hazards, cut health care costs and reduce injury and disease.
- **Labor-Management Cooperation** –The West Michigan Construction Alliance helps promote job opportunities for our contractors through networking and sharing best practices.
