

B&V Mechanical Awarded the MSCA Star Contractor Certification

August 20, 2008

B&V Mechanical was recently awarded the MSCA Star Contractor Certification.

MSCA STAR is an achievement designation for service excellence awarded to an elite group of mechanical service contractors by the Mechanical Service Contractors of America (MSCA), the nation's leading trade association representing the heating, ventilation, air conditioning and refrigeration (HVACR) service contractor. MSCA STAR companies have demonstrated they offer commercial business and facilities customers' unsurpassed support, quality workmanship and safe and reliable service.

Pictured from left to right are Elwood Hathaway, Matt Greenland and David Ingraham.

Over 75% of B&V Mechanical's service technicians have passed the national STAR test, well over the 25% needed for accreditation. Matt Greenland, Service Manager commented, "This certification compliments our goal to provide top service to our customers. The continuing education required for this certification is part of our goal to continually learn something new."

B&V Mechanical, Inc. located at 400 32nd Street SE Wyoming, MI (616-243-7222) is a full service mechanical, plumbing, and maintenance company. They specialize in all phases of mechanical construction for commercial and industrial clientele. The company provides licensed engineering and design services for HVAC and plumbing systems. B&V has an excellent background in both conventional and design/build construction delivery systems. They operate a 24-hour service department, with over 100 service contracts for commercial, industrial and municipal clients.

B&V is fully licensed and insured. They hold a master plumbing license, mechanical contractor's license and a state boilers license. The company is a member of the American Society of Refrigeration, Heating & Air Conditioning Engineers, Construction Financial Management Association, Mechanical Contractors Association of America, Michigan Plumbing and Mechanical Contractors Association, National Certified Pipe Welding Bureau, and the West Michigan Mechanical Contractors Association.

B&V Mechanical is a member of the West Michigan Mechanical Contractors Association, the local affiliate of the national MSCA.

Contact Rick Ekkens (616-234-7222) or Cindy Morse (616-735-9658) if you have any questions regarding the MSCA Star Contractor Certification.
