

## **Federighe Named to State Board**

LANSING, August 22, 2011 – Jim Federighe, president of Northern Boiler and Mechanical Contractors, Inc., in Muskegon, was appointed Monday, August 15 by Gov. Rick Snyder to the state's Board of Boiler Rules.

The board is responsible for prescribing uniform rules for boilers while licensing and regulating boiler inspectors, installers and repairers.

A Muskegon resident, Federighe was appointed to represent mechanical contractors in the state with experience in installation, piping, operations or repair of boilers. His appointment is subject to the advice and consent of the state Senate and his four-year term runs through June 30, 2015.

Federighe has worked for Northern Boiler and Mechanical Contractors for 32 of his 49 years in the boiler industry. He also previously worked for Consumers Energy as an assistant plant manager and engineer.
